

***Academic  
Experience:***

Feb. 2007 - Present

**Lecturer:A**

- Isfahan University of Technology, Isfahan, Iran

- Islamic Azad University, Quchan, Iran

- Quchan Institute of Engineering and Technology, Iran

- Atrak Institute of Quchan, Iran

**Teaching  
Experience:**

Feb.2007-Present

I have taught several times a number of chemical engineering undergraduate courses as follows:

-- **Basic Principles and Calculations in Chemical Engineering**

-- **Thermodynamics (I)**

-- **Chemical Engineering Thermodynamics (II)**

-- **Fluid Mechanics**

-- **Kinetics and Reactor Design**

-- **Basic Calculations in Refinery Process Design**

-- **Applied Mathematics and Modeling for Chemical Engineers**

-- **Petrochemical Processes**

-- **An Introduction to Refinery Processes**

-- **An Introduction to Oil Engineering**

**-- An Introduction to Oil Processes**

**-- Unit Operation Lab.**□□□□□□□□□□□□□□□□□□□□□□□□□□□□

**-- MATLAB**□□□□□□□□□□□□□□□□□□□□□□□□□□□□□□

**-- Hysys**

**-- Aspen Plus**

**-- Aspen B-Jac**

**-- Aspen Polymer Plus**
